Attn: United States Designated/Elected Office (DO/EO/US)

Sir:

In accordance with the Applicant's duty to disclose information which may be material to the examination of this application, the undersigned respectfully requests that the Examiner consider on the merits the documents listed on the enclosed Form PTO-1449 (modified) before issuing the first Office Action on the merits.

The documents listed in the enclosed Form PTO-1449 (modified) include the documents cited in the PCT International Search Report of the subject PCT application. Copies of the PCT International Search Report and the foreign patent documents cited on the enclosed Form PTO-1449 (modified) are also enclosed herewith.

It should be noted that U.S. Patent No. 6,829,672 B1 is an English-language equivalent of Chinese Patent Application No. 99117225, which is referenced on page 1 of the specification of the above-identified U.S. national stage application.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. (Notice of January 9, 1992, 1135 O.G. 13-25, at 25.)

The person making this statement is the practitioner who signs below on the basis of information supplied by an individual associated with the filing and prosecution of this application (37 C.F.R. § 1.56(c)) and on the basis of information in the practitioner's file.

No fees should be due because this Information Disclosure Statement is being filed concurrently with the above-identified U.S. patent application.

Respectfully submitted,

Robert Popa
